**Hair Hydrating In-Salon Treatments Only****Kevin.Murphy****Treat.Me**

40

Best of nature and technology with skin care ingredients for your hair. Working on a molecular level to improve the texture, shine, moisture and overall health of your hair and scalp.

Think of this as a facia for your hair.

Removing dead and rough particles using gentle and natural fruit acids (AHA's) from papaya, citrus and pineapple.

Replacing lost moisture and strength to reveal soft touchable and glowing hair.

This customised collection of treatments are designed to suit your needs from repair, nourishment, colour protection, anti ageing, volume and density.

Delivering deep conditioning, shine and nourishment.

Renews youthful lustre whilst improving elasticity, strength and smoothness. a must to try!

**Loreal.****Pro-Fiber - Beauty for your Hair**

40

The first recharging haircare for long lasting damage repair.

A repairing treatment that works on the cuticle and cortex layers of your hair.

Tailored to your individual hair needs through in depth salon diagnosis

Recharge at home to maximise the benefits.

---

**Loreal. X-Tenso****Straightening**

as quoted

In salon service professional hair relaxer.

X-tenso moisturist transforms rebellious, curly or frizzy hair to smooth, silky and shiny hair for up to 60 days.

Whether you want to de-volumise, retain some volume, or go very smooth.

X-tenso moisturist uses new technology for increased conditioning and smoothing.

Not only does it contain softening waxes, but it also works with the new intelligent Nutricationic Technology.
